“The measure of your life will not be in what you accumulate, but in what you give away.”

Once again, 2015 was an exciting year of growth for The Community Foundation of San Joaquin. We both raised and granted more funds than ever before!

There were many accomplishments during 2015:

- **Funds increased** – we added 21 new funds for a total of 101 funds under management
- **Grants increased** – we granted $1.2 million to local, regional and national nonprofit charities
- **Assets increased** – at the end of 2015, we had close to $9 million in assets
- **Staff added** – we welcomed Gigi Imeson as our part-time staff assistant
- **Fifth Annual Community Philanthropy Summit** – approximately 235 attendees were spellbound by Keynote Speaker Christian Thomas Lee and other experts at this local conference on philanthropy co-hosted with the Lodi Community Foundation
- **Eighth Annual Super Bowl Raffle** – we blew past our previous record for this unique raffle by raising $535,000 for 32 local charities thanks to the generosity of the Alex and Faye Spanos Family and ticket buyers everywhere!
- **Stockton Fund for Animals Event** – once again, the Spanos Family and Companies stepped to the plate by hosting the second “Cool Cats and Barking Dogs” benefit for the Stockton Animal Shelter which generated more than $120,000 to help improve conditions and save lives
- **Strategic Plan** – updated for the next five years (2016-2020)
- **Fiscal Sponsorships** – for the Reinvent South Stockton Coalition, the South Stockton Schools Initiative, Community Connections and the newly formed Coalition for a CSU Stockton

During the year, we were delighted to welcome two new members to our Board of Directors – Jane Butterfield of Stockton and Julie DeAraujo of Ripon. The 2016 Officers include: Board Chair Cynthia Souza (Tracy), Vice Chair Dr. Ted Leland (Stockton), Treasurer Teresa Mandella (Stockton), Secretary Colleen Stewart (Lodi) and Past Chair Duane Isetti (Stockton). We regrettably said farewell to three outstanding directors whose terms expired at the end of 2015 – Robert Kavanaugh (Stockton), Pat Patmon (Stockton) and Dave Vaccarezza (Woodbridge). These three gentlemen helped to found CFOSJ and we will always be in their debt.

BUILD. BENEFIT. BELIEVE. Our new motto says it all. The Community Foundation of San Joaquin helps donors make the most of their giving and, simultaneously, helps nonprofit agencies make the most of what they’ve been given. It’s why we exist and what we do. So, how may we help you Build your philanthropic assets, Benefit others and Believe that, by working together, we can improve the lives of everyone who calls San Joaquin County home?

The Ambassadors of Peace Fund’s support of Rusaql Etamanik Education Center in Guatemala became the first CFOSJ international grant. After a fire destroyed the office of the California Valley Miwok Tribe in Stockton, the tribe was left without an administrative headquarters. State Farm granted $5,000 to the California Valley Miwok Tribe to help with the rebuilding process.
