

Dear Friends of the Stockton Animal Shelter,

Finally, some good news to share with you! The **Cool Cats & Barking Dogs Fundraiser** will take place on Wednesday, April 21, 2021 at 6:00pm via a Zoom conference call. Our local animal population needs immediate and urgent help, and we cannot afford to delay any longer giving them our support. COVID has created tremendous challenges, but we believe we can overcome these challenges by joining together for this very special and compelling cause.

At this virtual event, we plan to entertain you with live music, short videos of clever and adorable animals, pictures of our local shelter animals, and some exciting auction items. We will also honor the contributions and invaluable work of the Community Foundation of San Joaquin (CFOSJ), the Animal Protection League, and Alexis Ruhl.

Local restaurants have agreed to contribute a monetary portion of any food orders you place on the day of the event. Please do not forget to mention that you are calling for the **Cool Cats & Barking Dogs Fundraiser**. You can either personally pick up your order or have it delivered if that service is provided by the restaurant. These restaurants are:

Papapavlo's Bistro & Bar	(209) 477-6133	Prime Table Steak House	(209) 808-5999
Market Tavern	(209) 932-8001	La Mesa Mexican Kitchen	(209) 395-3818

In addition, you will receive a very special surprise gift prior to the event if you make your reservation by April 10 in the enclosed envelope or by registering online at this link www.cfosj.org.

Sponsorship Levels:

Best of Show - \$10,000	Top Dog - \$5,000
Publicity Hound - \$2,500	Cat's Meow - \$1,000

Ticket Price: For this event, there will not be a per person ticket price, but we welcome voluntary contributions in any amount.

Remember to provide your email address on the enclosed RSVP card so that we can send you the Zoom link to the event.

If you have any questions, please call Elena Polyzos at AG Spanos Companies, (209) 955-2555.

Please join us for this worthy charity that supports our local animal population and the programs that keep them healthy, until they find a forever home.

Alexis Spanos Ruhl
